1.0 General Information

1.1 System Overview

Magic Box System is an online bidding application developed by Tata Steel Limited for its customers and distributors where coils are being offered to its customers and distributors.

Customers and Distributors of TSL after successful enrolment in Magic Box can participate in online bidding. Once the bidding is completed, the winner of successful bidders of each batch id are informed through mail and the same is being displayed in the Magic Box customer portal. After sales order creation and successful payment confirmation, batches are delivered to customers.

1.2 Authorized Use Permission

Magic Box Application is available to all the registered distributors of Tata Steel Limited. If you are not registered, then you can register yourself through our portal. Some documents need to be provided to authenticate your candidacy; you will be communicated via mail regarding this.

1.3 Point of Contact

For additional information, please contact the National Coordinator. (Email Id will be provided after the registration).
